

RESTORED IN HIS IMAGE: WOMEN'S CONFERENCE

SPEAKER BIO: BARBARA ERSELIUS

Barbara Erselius is sometimes better known around Kindred Community as "Miss Barbara".

Kindred is her home church and she loves teaching the 1st and 2nd graders for their Sunday School time along with her husband of 48 years, "Mr. Jay." What a privilege it has been to be a teacher at Kindred's women's Bible study for the last 4 years. One of her favorite things to do is to teach God's Word to all ages, especially the practical application it to everyday life. Her dad taught her early about Jesus and led her to a saving faith in Christ at a young age. The church is a very important part of Barbara's life.

Barbara and Jay have 6 children (3 by marriage) and 12 grandchildren. She loves spoiling these kiddos - along with their parents, reading a good novel, keeping in shape by running daily, reading the daily newspaper (especially the comics), going to Knotts Berry Farm with her husband and spending time with women. Barbara and Jay are enjoying traveling and camping together lots now. They recently returned from a trip to Yosemite (her favorite spot), camping in the snow. So much fun! Running the family photography business is her vocation and keeps her busy. Coffee fuels her energy. She loves it!

She is so looking forward to sharing God's Word with the women of RockCC.
